

Hospital Safety: Orientation –Dist. Hospital, Thrissur

As part of UNDP – KSDMA Initiative on “Hospital Safety” to make the hospital to prepare to manage disaster, half-day orientation programme organized at Thrissur District Hospital on 21st November 2019 – 02.00 PM. 98 professional working in the hospital in different departments i.e., Medical, Paramedical & Administration. The Superintendent of the Hospital Mrs. Sreedevi welcomed all the participants those attended.

Mr. Hari Kumar & Dr. Sarun from GeoHazards took the session & explains the topic “Hospital Safety”. They discussed about the need of the programme in a disaster prone situation and we have experiencing disasters in frequent intervals. Such a situation in any place, every department have to be prepared to manage disaster in a professional way. It is our responsibility to reduce the loss & damages due to disaster. Preparing to manage disaster is the only solution to manage the disaster.

The orientation programme is to provide the understanding about how hospital safety is important when having a disaster at the hospital or outside the hospital. The trainer given an idea about the situation and how the management is look like with having a detailed hospital disaster management plan and without a plan. The participants shared the risk & vulnerability of the hospital. They also shared their experience in handling disaster as a professional with reference to the recent floods, landslides. They also mentioned the issue they faced in handling disaster situation.

Mr. Md. Mujeeb UR Rahman took a session on the need of hospital safety in our state. Dr. Prashanth concluded the orientation with vote of thanks.
