

# ***TRAINING REPORT ON IDRN FOR INTER AGENCY GROUP MEMBERS OF KERALA***

Kerala State Emergency Operations Centre

On 04/03/2021 via Cisco WebEx Platform

Kerala State Disaster Management Authority in collaboration with National Institute of Disaster Management organised a one-day virtual orientation programme on India Disaster Resource Network (IDRN) for the inter-Agency group members of Kerala. IDRN is a nation-wide electronic inventory of resources that enlists equipment and human resources, collated from districts, states and national level line departments and agencies. It is a web-based platform, for managing the inventory of equipment, skilled human resources and critical supplies for emergency response. Primary focus of IDRN portal is to enable the decision makers to find answers on availability of equipment and human resources required to combat any emergency situation. This database will also enable them to assess the level of preparedness for specific disasters.

Citizen's support and altruism has always been a key factor of success in the management of all difficult times especially in Disaster Situations. Under Section 22 (2) (f), Section 24 (j), Section 30 (xiii) and Section 30 (xxvii) of the Disaster Management Act, 2005 involvement of Non-Governmental Organisations in Disaster Management is essential and a requirement. Hence Kerala has formed Inter Agency Groups (IAG) as a collaboration platform for non-governmental agencies functioning in the State. All Districts have notified Inter Agency Groups in the Districts and ensure close engagement with Non-Governmental Agencies and Civil Society Organisations. The resources under Inter agency group and Civil society organisations should be captured in this portal for effective coordination's during disaster situations. A familiarisation of this portal and data collection formats and sensitize the members about the importance of this are the main aims of the training.

The Participants in the online training programme includes officials of Kerala State Disaster Management Authority, DDMA officials and IAG members. A total number of 308 participants were attended the training (appended here with). Cisco WebEx was used to host the online training programme. The training started by 3 PM.

Major General Manoj Kumar Bindal, Executive Director, NIDM extended a very warm welcome to participants and briefed them about IDRN and its importance in managing disasters particularly during emergencies. He briefed about the role of NIDM in maintaining the portal. He appreciated the initiative of Kerala State Disaster Management Authority for organising this training for Inter Agency Groups.

Lt. Col. Dinesh Chander Vashista, Joint Director, NIDM delivered a detailed presentation on IDRN, wherein the participants were briefed about the IDRN aim, objectives and functions. He described the role and importance of the IDRN portal during emergencies and how the new portal functions. Mr. Balaji, GIS Developer NIDM explained about the Different forms of Data collection and a demo of the portal usage.

Mr. Joe John George, SPO, Kerala State Disaster Management Authority recapitulated the session and the role of IAG in IDRN. How the data collection should be carried out. The IAG conveners are responsible for consolidating the resources and submitted to DDMA chairman.

### **Way forward**

\*It is decided to collect all resource data in the IDRN formats from all Inter Agency Group Members.

\*The Collected Inventory details may be submitted to respective District IAG chairman. He will be responsible for the liaisoning with DDMA.

\* IAG members may support the DDMA for pulling the details on the Portal

\*Hazard Analyst of respective district should ensure the free flow of data to the portal.

\*SEOC will share the Data collection formats to the IAG conveners.

Mr. Vijeesh P, Sphere India State Project Officer Proposed the Vote of thanks. The training came to an end by 5.30 PM .
